HARVEST KITCHEN

VOLUNTEERS NEEDED

Since Covid, in the Fall of 2020, we have not been involved with Harvest Kitchen, as other groups came forward to help out. This year Central United Church contracted us to see if we would be able to look after the Harvest Kitchen dinners at Central on the first Sunday of the month starting in Nov. through to March. If you recall we were involved with this for well over 25 years. It originally was called "Out of the Cold" when Rev. Jim and later Rev. Kim were our ministers.

I brought this request forward to the Membership and Outreach Committee at our last meeting and they all agreed that this was something we wanted and needed to do for our community. This Outreach is something very dear to me as I looked after this for quite a few years with a great deal of help from our Wesley Family.

Our first Harvest Kitchen dinner at Central this year will be on Sunday, Nov. 3rd. This meal is planned and most of the food has been purchased. We do not know for sure how many "guests" will be coming, as there are many families in need. They are mostly folks who need a little help from time to time and they are always very thankful for our assistance.

If you are interested in helping out with this Outreach or would like more information, please contact myself or any member of the Outreach Committee.

Thank for your kindness and support. We at Wesley can make a difference!!!
